

# Data and Applications Project Phase - 2

Team **AGDP**

## **Miniworld - SYMPHONY (A music streaming platform)**

**Harshita Gupta** 2020101078 | **Parth Maradia** 2020111006 | **Prerak Srivastava** 2020111013

### Changes

We mentioned entities' primary key as attributes in relationships involving them, but they do not have any significance as they do not characterize the relationship and the description of relationship already specifies the entities involved.
